Hi Tom,

I discussed with my Supervisor the need to open a Work Request Form for Bautsch Site in my absence and it would make more sense to have the technical person on the Site to fill out the form so that someone would have oversight over the work of the Contractor.

Pam, I understand that RPMs have access to the Contractor's Services. Are you familiar with filling out the Work Request Form, and if not, I can help you with that.

Thanks.

Hi Tom,

I apologize for delay response. I was out most of the week last week and today is my first day back into the office. I will put the GNL letters into signoff tomorrow. I am only here until Friday 1:30 pm and will start my 6 month detail this coming Monday. Mike will be on a 120-day detail as well starting Monday. [REDACTED] Will Report For Duty On 1st of February.

Exemption 5: deliberative process; attorney work product; attorney client communication

Thank you.

Thanks, I do remember you mentioning that Fouad. Congratulations and good luck in Water Div. Should I start to go to Mike Rafati (or someone else), when I have Enf. Specialist matters? How soon should I begin? Thanks again to both of you.
